We herewith confirm that the Policyholder detailed below has Broad Form Liability cover, subject to the terms and conditions outlined in our contract under policy number **115548875**. Cover to commence on **19 November 2025** with a renewal date of **05 December 2026**.

Policyholder

Company Name	ONPOINT SKYRIDERS (PTY) LTD	Company Registration Number	202236949007
Industry Type	Contractors & Transport	Business Type	Building Contractor
Physical Address	23A 10th Avenue, Rivonia		

The Cover

	Retroactive date	Indemnity limit
Public Liability	19 Nov 2025	R5,000,000
Employers Liability	19 Nov 2025	R5,000,000
Product Liability & Defective Workmanship	19 Nov 2025	R5,000,000

The cover is limited to liabilities arising in the normal course of business during activities that can reasonably be expected to be associated with the Policyholder's specified business type.

Important to Note

- There is no liability cover for the following activities and industries under this section: manufacturing or distribution of tobacco products; any education or childcare organisations; any activities involving asbestos; old age homes & frail care facilities; horse riding activities; swimming schools; amusement parks; blood banks & blood transfusion centres; shooting ranges, paintball activities; any aircraft-related goods or products; manufacturing of petrochemicals; or any work carried out on aviation equipment, aircraft, marine equipment or marine vessels.
- Liability arising from any design, specification, treatment or advice is not covered under this policy unless in connection with a product.

- Product liability & Defective Workmanship covers injury or damages resulting as a consequence of your products or work done by you. No cover is given for replacing defective products, any product recall costs or any costs to make good or redoing any defective workmanship.
- Any property damage liability claim arising from the use of a blowtorch or any hot work is excluded.
- There is no liability cover for or arising out of COVID-19, including any variation thereof, or any epidemic or pandemic declared as such by the World Health Organization or any governmental authority. This is a summary of the Exclusion - please see Policy wording for the full exclusion wording.

Kind regards

Serapelo Mofokeng
